Danced to the Hindi song "Allah Ke Bande" by Kailash Kher

*A bird was so badly broken that he could not be healed,
Somebody stole (the wings) from the bird till he was unable to fly
Yet in his dreams there were still only clouds, He fell from the sky onto the earth, And he kept saying*

*Chorus: That the people of God will always stay happy
Whatever happens, there will always be another day*

*Only after losing his wings did he learn to fly
Take your sorrow with you, for the pain will be of use to you (Chorus)*

*He broke into pieces when every dream of his broke
It is in the scattered pieces of your dreams that you will find the meaning of God's will. (Chorus)*
